NEW M. E. CHURCH

Plans Being Made for a Handsome Place in which to Worship.

Plans are being made for the erection of a handsome church edifice for the denomination of Methodists, and which, when completed, will be the finest between the cities of Fort Worth and Denver. The architect has been at work on the plans for some time and should have submitted them to the proper committee yesterday, and as soon as they are accepted, the contract will be let and work will commence. The edifice will occupy the lot on Polk street where the Methodist church now stands, together with the lot adjoining. The present site is only sixty by one hundred and twenty-five feet and the purchase of the adjoining lot will make it a hundred and twenty foot front. The present building is entirely inadequate for the membership aside from the visitors, etc., and it is the intention of those who have the arrangements in hand to erect a building that will not be outgrown in a few years. The cost will probably arrange between the figures of

The Cause of Many Sudden Deaths.

There is a disease prevailing in this country most dangerous because so deceptive. Many sudden deaths are caused by it—heart disease, pneumonia, heart failure or apoplexy are often the result of kidney disease. If kidney trouble is allowed to advance the kidney-poisoned blood will attack the vital organs, causing catarrh of the bladder, or the kidneys themselves break down and waste away cell by cell. Bladder troubles almost always result from a derangement of the kidneys and a cure is obtained quickest by a proper treatment of the kidneys. If you are feeling badly you can make no mistake by taking Dr. Kilmer's Swamp-Root, the great kidney, liver and bladder remedy. It corrects inability to hold urine and scalding pain in passing it, and overcomes that unpleasant necessity of being compelled to go often through the day, and to get up many times during the night. The mild and the extraordinary effect of Swamp-Root is soon realized. It stands the highest for its wonderful cures of the most distressing cases. Swamp-Root is pleasant to take and is sold by all druggists in fifty-cent and one-dollar size bottles. You may have a sample bottle of this wonderful new discovery and a book that tells all about it, both sent free by mail. Address, Dr. Kilmer & Co., Binghamton, N. Y. When writing mention reading this generous offer in this paper. Don't make any mistake, but remember the name, Swamp-Root, Dr. Kilmer's Swamp-Root, and the address, Binghamton, N. Y., on every bottle.
